

Dear esteemed BB/ GB alumnus,

CONTINUE YOUR LEGACY, GIVE BACK TO THE BRIGADE

Through sweat and tears of yesteryears, you have earned the precious title of an "Old Boy/Girl" or a "Former Member" of the 1st Kuala Lumpur Boys' & Girls' Brigade. What you have worked toward and accomplished during your time as an active member has become a legacy for the Boys & Girls today – a new Wesley Legacy Center for our weekly meetings, an ever-growing Cadet, Junior, and Senior Sections membership, GB's champion-reigning drill team, and an award-winning brass band that has recently been crowned first place in the 2014 National BB Pesta Convention in Perak.

This year is a year of celebration and thanksgiving, as both the 1st KL BB and GB celebrate our 60th anniversary of founding. It is a continued story of the grace of God that touched succeeding generations of our youths today. As a former member, you can play a part in making this celebration even more meaningful to current members by contributing to the Anniversary Celebration Funds.

We invite you to be a part of the 60 former members who would contribute a minimum of RM1,000 each for us to raise RM60,000. In return, we will do up a plaque where the entire donor's name will be listed and mounted on the proposed showcase cabinet. You will also receive 2 tickets to our Year-end Concert cum Dinner.

All of your contributions will be channeled toward off-setting the expenses incurred in planning and running the anniversary activities as followed:

- Anniversary Mission Trip
- Year-End Concert cum Dinner
- Building of a cabinet to showcase BB & GB achievements over the years

Please refer to the attached form to fill out donation details.

On behalf of the organizing committee and all current members of 1st KL, I thank you in advance for your kind support. Just as the past anniversary celebrations were made memorable to you; I hope you will pay forward to make this year a remarkable one to our members today.

Warm regards,

Cheong Sing Yuen
